公益社団法人全国産業廃棄物連合会：産業廃棄物管理票マニフェスト

< <http://www.shokusan.or.jp/manifest/main/what.html> >

The screenshot shows the website for the National Association of Industrial Waste (Shokusan). The main heading is "クリーンな未来をつくるマニフェスト制度" (Manifesto System for a Clean Future). The text explains that the Manifesto system is used when industrial waste handlers commission disposal. It details the process: waste is collected by a collector, transported to a treatment facility, and then to a final disposal site. A diagram illustrates this flow: 排出事業者 (Emission Business) → 収集運搬業者 (Collection/Transportation) → 中間処理業者 (Intermediate Treatment) → 収集運搬業者 (Collection/Transportation) → 最終処分業者 (Final Disposal). A note states that commissioning disposal is managed by the Manifesto system as required by law.

日本産業廃棄物処理振興センター：JWNET 日本産業廃棄物処理振興センター

< <http://www.jwnet.or.jp/jwnet/> >

The screenshot shows the JWNET website, which is the Japan Waste Network. The header includes the JWNET logo and the text "産業廃棄物処理法に基づく電子マニフェスト" (Electronic Manifesto based on Industrial Waste Treatment Law). The main content area features a large banner with the title "廃棄物処理法に基づく電子マニフェスト" and a list of benefits: "法令遵守を徹底" (Thorough compliance with laws), "事務処理の効率化" (Efficiency in business processing), "マニフェストに関する行政報告が不要" (No need for administrative reports regarding manifests), and "セキュリティも万全" (Security is also complete). There are also buttons for "FAQ よくあるご質問" (FAQ), "操作体験 デモ画面で今すぐ体験" (Operation Experience), and "加入申し込み WEBで簡単" (Join Application). A prominent pink banner advertises a "新規団体加入者 (C料金) 使用料無料キャンペーン" (New organization joiner (C fee) free usage fee campaign). The footer includes a "新着情報" (New Information) section with a date of 2017年1月12日 and a link to "電子マニフェストシステム加入契約更新 (平成29年度)のお知らせ" (Notice of electronic manifesto system membership contract renewal).
